PARADISE POST CONVERTS TO COMPUTER TO PLATE.

Paradise, California, March 23, 2009—Paradise Post Printing, a division of the Media News Group, has contracted with Southern Lithoplate Inc., to supply Viper 830® thermal plates for their Computer to Plate operation. The company has purchased two Glunz and Jensen Mark III Supreme 85 oven and processor lines to complement their installation

Larry Bixler, plant manager stated “we are happy with the cost savings and improved quality with the conversion to CtP. This will be a benefit for our advertisers and commercial print customers as well as the newspaper”

Steve Mattingly, Vice President of Sales and Marketing for Southern Lithoplate stated that “We are pleased to be able to provide our customers with high quality thermal printing plate products that meets or beats their expectations. We are gratified that the Paradise Post has chosen to print with Viper 830® plates ”.
