HNE PRINTERS SWITCHES TO VIPER 830® FOR COMPUTER TO PLATE.

Columbus, Indiana, November 2, 2009– HNE Printers contracted with Southern Lithoplate Inc. to convert from a competitive thermal plate system to Southern Lithoplate Viper 830® plates and a Strategic Alliance solution. HNE recently completed the conversion of their second plate-making production line.

Larry Ham, General Manager HNE Printers explained, “Our company prints both newspapers and commercial products. We were able to justify the conversion to Southern Litho’s Digital plates because of the superior value generated by their products. So far, we have found Southern Lithoplate to be an excellent partner to work with”.

Ted McGrew, Strategic Accounts Manager, for Southern Lithoplate stated “We are pleased to see that our clients are continuing to prove that our digital solutions offer a compelling combination of quality, value and technical support for both newspapers and commercial products”.

About Southern Lithoplate, Inc., (www.slp.com)

Southern Lithoplate Inc., headquartered in North Carolina, specialized in the manufacture, distribution, and service of analog and digital plates and associated products for targeted print markets. Southern Lithoplate enjoys a reputation for Quality, Value and Performance throughout the world. Southern Lithoplate provides customers with a full array of high quality, value priced products.
